Product Description: Destined to be the center of attention, Navara creates a gorgeous focal point to any bedroom suite. Finished in a sleek Clearly Silver finish, you'll notice the elegant, fancy faced v-matched prima vera veneer showcased in the center of each piece. Glamorous shimmering material draws your eye in as it sparkles from every angle. The plush, padded headboard accented with luxe crystal-like button tufting makes a striking statement. With a simple touch, you can effortlessly turn on the built-in accent lighting. Also featured is a touch three-way dimmer, allowing you to adjust the brightness to the level you desire. Brushed nickel accent trim that doubles as the drawer pulls adds extra flair, similar to the way jewelry completes an outfit.
