

FLAT FOUNDATIONS

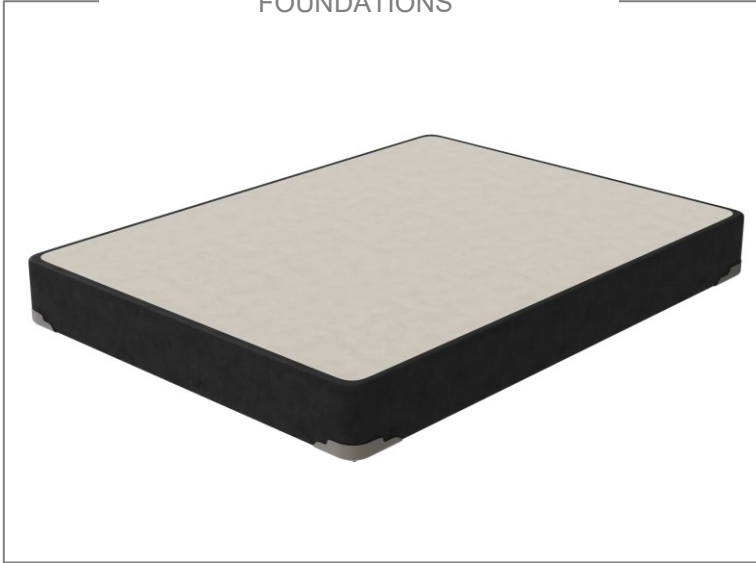

9" or 5" PROFILES AVAILABLE

Engineered to support your new mattress with a perfectly solid, flat surface.

Our flat foundations are designed to take the place of a traditional box spring and can be placed directly on your **existing** bed frame.

Designed and upholstered to create a seamless look with your **new mattress** and complement your bedroom decor—while providing stationary support.

FLAT FOUNDATIONS

Better than a box spring, our foundation adds optimal support & durability.

Complete your ultimate sleep upgrade by pairing your new mattress with our high-quality bed foundation.

SIZE AVAILABILITY:

- Twin: 74"L x 37.5"W
- Twin XLong: 80"L x 37.5"W
- Full: 74" x 53"
- Queen: 79" x 60"
- Split Queen: x2 30" x 80"
- King: 79" x 76"
- CA King: 83" x 72"
- Split King: 79" x 76"

9" or 5" PROFILES AVAILABLE

- Our foundations are available in a **9" height** that matches a **traditional box spring** and a **lower 5" profile** for a more **modern look** that will easily fit through more narrow stairways.

FEATURES

- More durable than a traditional box spring
- Full Amish solid wood foundation premium Grade-A lumbar handcrafted from north American Spruce, which is exceptionally durable.
- Our solid wood framing is precision-milled by highly skilled Amish craftsmen.
- Each center and side rail is carefully built to balance the full weight of the mattress and sleeper for years of reliable support.
- Double center rail for added support.
- 1" x 3" cross rails + slats for extra support - This not only reduces motion and bounce, but also creates a more solid surface, which extends the life of the mattress.
- Upholstered to create a seamless look with your new mattress
- King and Cal King foundations come as a split design for ease of delivery and setup. This does not affect the feel or performance of the foundation under your mattress
- Your new foundation is covered under a lifetime warranty
