Baker Accent Chair Brown

Baker brings mid-century ease with a little curve. Inspired by Brazilian modernism, its rounded silhouette feels friendly, not rigid. A solid acacia frame supports a sling seat wrapped in top-grain buffalo leather, with soft semi-attached cushions and foam-and-fiber fill for everyday comfort. Over time the leather relaxes and develops a rich patina that's uniquely yours. Set it by the sofa or a desk—Baker adds warmth, without overdoing it, and keeps the room feeling pulled together.

- Brazilian Mid-Century Curves: Rounded edges and a sling-seat profile nod to Brazilian modernism, giving the chair a relaxed, design-forward presence in any room.
- Top-Grain Buffalo Leather: Durable top-grain buffalo leather wraps the sling seat and will soften with use, developing natural patina over time for a lived-in look.
- Solid Acacia Frame: A solid acacia wood frame provides steady support, while semi-attached cushions sit neatly to keep the silhouette tidy day after day.
- Comfort-Ready Cushions: Foam and fiber fill offers a comfortable sit with gentle resilience, making Baker an easy extra seat for daily living.
