5-year limited warranty on frames against breakage under normal use, care, and conditions due to defects in workmanship or materials provided the item is covered in the original fabric.

3-year limited warranty on all foam seat cushion cores against defects in workmanship and material under normal use, care, and conditions. All cushions and filling material will soften and conform to the shape of the user over time. These qualities should not be considered manufacturing defects. Cushion softening due to normal fiber compression is not covered by this warranty.

5-year limited warranty on springs and swivel, glider, and sleeper mechanisms against defects in workmanship and material under normal use, care, and conditions.

All sleeper mattresses are warranted for 3 years against defects in workmanship and materials under normal use, care, and conditions.

NOTE: The mattress folded inside the mechanism may become creased at the fold lines. This is not a defect in the mattress.

Southern Furniture Industry fabrics are warranted for a period of one year to be free from manufacturing and workmanship defects, seam failure, fabric separation, and nap loss under normal use, care, and conditions. This warranty does not cover wrinkling, piling, stains, fading, or damage caused by pets and is not valid where there is evidence of misuse, accidents, abuse, or negligence. NOTE: Improper cleaning or chemical treatment other than by the fabric manufacturer voids this warranty. This warranty does not extend to color variations in the fabric due to dye lot variations when items are not purchased together.
