Stinky washing machine? Clothes not smelling fresh? Drop in an affresh washing machine cleaner and wash away the worry.

Trusted by appliance experts, affresh washing machine cleaner is the #1 Selling Washing Machine Cleaner tablet in Canada.\* Affresh washing machine cleaner powers deep inside internal washer components to help remove nasty smells, soap scum, bacteria and grime. Left untreated, odor causing bacteria can transfer onto your clothes, sheets and stuffies. Gross! Luckily, affresh washing machine cleaner is easy to use and incredibly effective. Just drop it in and let the mess free affresh tablet do the dirty work, cleaning even where you can't see. Affresh time release tablets are scientifically formulated to deep clean washer components, including the washer pump, tub/basket, agitator, filter, drum, hoses and valve. Soon your washer will be confidently clean and back to optimal performance. How easy was that?!?!

Affresh washing machine cleaner is the #1 recommended brand by Whirlpool, Maytag and Amana.\*\* It's also safe for all washing machine makes and models — including septic systems. So, for a deep down confident clean, trust affresh appliance care.
