

FFUE0736AW

7 Cu. Ft. Garage Ready Upright Convertible Freezer / Refrigerator

This 7 cu. ft. garage ready upright freezer effortlessly converts to a refrigerator for ultimate flexibility when you need it. Easily organize your favorites with our flexible organization system. The Cold Boost setting quickly chills or freezes foods to lock in peak freshness.

Available Colors: White

Version: 01/26

## Consumer Benefits

### Garage Ready

Place this unit in your garage without worry. As a freezer, this unit is designed to perform in temperatures ranging from 0°F to 110°F. As a refrigerator, it performs in temperatures ranging from 38°F to 110°F.

### Switch from freezer to fridge

Effortlessly convert your freezer to a refrigerator with the touch of a button, for ultimate flexibility whether you're hosting a gathering or just need extra space.

### Flexible Interior Organization System

Easily organize your family's favorites with our organization system that allows you to make the most of every available square inch of your freezer.

### EvenTemp™ Cooling System

Our cooling system optimizes airflow to ensure a consistent temperature throughout the freezer, so your food stays fresher for longer.

### ENERGY STAR® Certified

Save money and maximize energy efficiency.

### Reversible Door

Door can be installed to open left or right based on your needs.
