**Method:**

**Materials:** Polyurethane Synthetic (PE) Rattan, Aluminum

**Shape:** Rectangular

**Product** The color is white and black with

**Features:** natural color frame

Exceptionally built using Polyethylene (PE) Resin rattan with an Aluminum Frame

Construction Details: Handwoven PU Rattan top and aluminum powder-coated frame. Added lacquer finish for protection for a durable, long-lasting product resistant from outdoor elements such as sun, water, mold, and rust.

Shape is rectangular with 4 legs

Product Dimensions: 40"W x 18"D x 19"H, Item Weight: 8 lbs

Item arrives fully assembled

Suitable for Outdoors due to the durable metal and PU Rattan that is both water resistant and rust resistant Rectangular top with 4 legs and stretcher bars for additional support between side legs and connecting all four legs.

Side stretcher bars are 5" off the ground

Middle stretch bar runs across the center and leaves 8.5"D on either side

Weight Capacity: 400 lbs

Ideal for use on an outdoor patio, sunroom, dining room or kitchen as a dining bench or additional seating bench

To clean, use a dry cloth, paint brush or air-compressor to rid of dust. For spills such as juice or hot chocolate, wipe with a dry cotton cloth. The rattan is protected from a top- coat so it won't absorb the liquid. For PU rattan seat tops: Wipe spills with a soft damp cloth or with a mild soap and water solution. Avoid use of cleaners and abrasives. Rattan is naturally heat resistant to sunlight and humidity but is recommended for indoor use.
