

HDMI CABLE WITH PORTABLE ADAPTER KIT

There's no better way to quickly and conveniently view your pictures, video or digital content than directly connected to your TV. The Bell'O 10.2 Gbps High Speed HDMI Cable with Ethernet is extra thin and convenient, yet powerful enough to meet the requirements of the most demanding equipment on the market. The bonus padded neoprene travel case has a built-in pouch for the adapter making it the ideal place for storage or for travel. There's even enough room for additional storage. For use with digital cameras, camcorders, smartphones, projectors, and tablets.
