

BELLA ANTIQUE COLLECTION

Thank you for your purchase of our Bella Antique Collection product. This collection is comprised of natural stone, antiqued metal, concrete and reclaimed wood. These materials possess distinctive unavoidable characteristics including variation in color, texture, uneven grain, blemishes, scratches, marks and cracks. These features are not defects, but rather the material's natural characteristics and does not affect the structural integrity of the furniture. In order to preserve the natural beauty of your new piece of furniture, please follow the care instructions below.

CARE INSTRUCTIONS:

Use a damp, soft cloth for wiping down your product. Do not use any abrasive cleaners. Wet spills should be wiped up immediately. Table protection such as placemats and coasters are recommended to protect against high temperatures and spills. Each item is treated with a wax coating. Therefore, it is recommended to occasionally apply a wax coat with a small amount of paste wax found at your local hardware store.
