Number of Lights: 1

Suggested Bulb: Integrated LED

Socket Type: LED Engine

17/17

Cord: 2' Black/White

Inspired by a piece of Indian jewelry, the pattern flowing along the outer edge of the Gyges Flush Mount is designed to ornament like a necklace would a person.

The decorative elements, frame, and finial are made of brass-finished wrought iron, surrounding the opaque white glass shade with warmth. The dense opacity of the shade creates a beautifully uniform glow when the lights are switched on, making this gold flush mount radiant.
