Cecil Dining Chair Tapestry

Meet Cecil: the dining chair that likes to move with the conversation. Traditional tailoring gets a modern twist with contrasting cotton cord trim and a cushioned seat made for lingering. Wrapped in heritage-inspired tapestry in tonal blues and greens, it adds pattern while the foam-and-fiber fill stays comfortable through long dinners. A 360-degree swivel base lets you turn in and out with ease. Pull up, spin slightly, stay awhile; let the trim do the work.

- Tailored Heritage Mix: Gently rounded dining chair silhouette pairs traditional trim detailing with a modern swivel, so your table setting feels easy and intentional.
- Woven-In Pattern: Heritage-inspired polyester tapestry adds patterned depth, finished with contrasting cotton cord piping that frames the shape with subtle definition.
- Cushy Seat Feel: Foam-and-fiber fill creates a supportive sit that bounces back, keeping the chair comfortable from first course to last.
- 360° Swivel Ease: Built on a smooth swivel base, Cecil turns with you, making getting in and out feel effortless in tight spaces.
