

Gareth Swivel Chair

Nubuck Silver • 228252-006

Overview

Eighties inspiration brought to modern speed. With a 360-degree swivel, an inflated silhouette speaks to the Brazilian influence behind this curvy seating style made from top-grain leather that's supple to the touch. The iron frame gives shape and contrast with its matte gunmetal finish. Designed in partnership with longtime Four Hands collaborator Thomas Bina and Brazilian designer Ronald Sasson.
