

# Space 3600 Chair and Footstool Recliner

## Space 3600 Chair and Footstool

A staple of modern Scandinavian design, our Space range provides the perfect stylish touch to your living area. Sleek, modern lines and plush, padded cushioning covered with a luxurious fitted upholstery are what makes our Space recliners both stylish and comfortable. With a matching, ergonomically sloped footstool, they provide all you need for supportive relaxation.

The Space 3600 with footstool presents Scandinavian design simplified, allowing comfort and relaxation to take centre stage. Minimal stitching detail in the backrest makes way for subtle curvatures, enhancing the feel of soft, supportive padded cushioning. With angular curved armrests, the Space 3600 achieves a more distinctive arm shape, while providing a comfortable surface on which to rest your arms.
