## Features

### 1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

Steel springs located throughout the back and seat provide optimum support whilst cradling the body.

### 3. Solid Construction

A steel and hardwood frame provides durability and strength.

### 4. Leg Options

Choose from an aluminium leg either polished or unpolished, or choose one of our new leg options: a tube-shaped leg available in a brushed and black finish, or a straight wooden leg available in 9 colour options.
