

6.3 cu. ft. 5-Element Freestanding Electric Range

MER30S5AST Stainless Steel

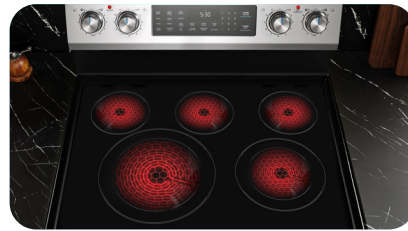

Midea's 6.3 cu. ft. 5-Element Freestanding Electric Range elevates your kitchen into a space for creativity and connection. A versatile 5-element cooktop gives you the control and flexibility to make each meal exactly as you envisioned. The expansive oven—finished in a premium Sapphire Blue—brings even more to the table with baking, roasting, broiling, and air frying modes. A hidden bake element makes the oven floor smooth and seamless while simplifying cleanup. When it's easy to share amazing meals with family and friends, you can **PLUS UP** what matters most.
