## PRODUCT DESCRIPTION

Few sofas demand attention like this one. It's wrapped in a combination of high-quality leather and expertly matched faux leather upholstery that's sure to please. A two-tone effect enhances the depth of color for a uniquely rich appeal. Every inch of this striking piece is tailored to perfection, with clean, refined lines that take contemporary design to a new level.

- Corner-blocked frame
- Loose seat cushions; attached boxed back cushions
- High-quality foam cushions wrapped in poly fiber
- 100% top grain leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Corrected grain leather; two-tone savage effect enhances the depth of the color while replicating the effect of a wax pullup leather
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Exposed feet with faux wood finish
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support

- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
