

STICKLEY®

Sculpting air and light.

The widely admired Walnut Grove collection combines flowing lines inspired by Scandinavian and mid-century modern design with moments of sophisticated handwork, beautifully showcasing the furniture-maker's art. In its hardwood pieces, contours are carefully sculpted and structural elements set apart to incorporate air and create a floating lightness, while chic upholstered seating offers plush comfort within clean, modern proportions.

We've crafted the collection from solid American black walnut and hand-applied a transparent finish that reveals the grain in all its beauty and complexity. Natural variations, from differences in grain pattern to a deepening of color over time, mean that pieces will vary slightly in tone—a mark of authenticity in the very best solid wood furniture. Walnut Grove is a visually rich collection that seems to have traveled directly from the craftsman's bench to your home.

Walnut Grove upholstery is made in Archdale, North Carolina;
hardwood pieces are made by Stickley International LLC in Vietnam

Walnut Grove Materials

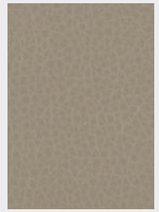

Walnut Grove's hardwood pieces are crafted from solid American black walnut and are available in a transparent walnut finish that lets the wood's characteristic grain shine through. In our Design Your Own upholstery program, the Tapered Leg (3D) and Sled Base (3S) options can be customized in any Stickley Fine Upholstery maple finish.

Hardware includes walnut knobs with turned metal bases and soft brass ferrules on the Upholstered Bed and Floor Mirror. Black granite with occasional flecks of volcanic glass is inset on the Small Server and is available as an option on the Drink Table, Lamp Table, Console Table, and Credenza.

The Upholstered Bed, Dining Chairs, Benches, and Footstools come in either Crypton Fabric 7605-31 or Salvador Dove leather. Upholstered seating can be covered any of our exceptional fabrics, including recycled and performance fabrics, and rich leathers. A wide range of textures and colors allows you to create a look that perfectly complements your home.
