BENEFITS OF THE WC46DZPRV1

CUSTOMIZABLE

- **Panel Ready™ door:** Create a unique wine cellar! Customize the finish of your door (glass or solid) for a look that perfectly complements your cabinets. **(Wood panel not included)**
- **Ventilation grid:** Perfect integration guaranteed! Choose our classic black metal grille, or customize it to match your cabinets for a touch of elegance.
- **LED strips:** Enhance your wine cellar! Choose from 5 color intensities (blue or white) to create a sophisticated, personalized ambience.

ADVANCED TECHNOLOGY

- **Dual copper evaporators:** For fast and even cooling. In addition, each compartment has an independent charcoal filter for unsurpassed air purity.
- **WIFI connectivity:** Control your cellar remotely with Wi-Fi connectivity. Adjust the temperature and lighting to suit your preferences.
- **Embraco Inverter compressor:** For reduced energy consumption. Energy Star certified.

DESIGN

- **46-bottle 2-zone wine cellar:** Taste to your heart's content! Our 2 independent temperature zones preserve your red and white wines to perfection.
- **Ball-bearing shelves:** Access your entire collection in the blink of an eye. Our shelves glide smoothly, revealing approximately 90% of your bottles.
- **Control panel:** Simplicity and safety. Set the temperature precisely with our intuitive digital panel.
