GRANDE

14"

Firm

Designed for anyone who sleeps hot, the GhostBed Grande features 2-stage core and surface cooling to keep you comfortable all night. Experience instant chill with the cool-to-the-touch cover, combined with 1" cooling fibers directly woven in and 1" gel memory foam for a super-soft feel. Our proprietary Ghost Ice technology transfers heat away from your body, while the gel memory foam layer provides amazing pressure relief.
