With the look of a cherished heirloom that is been passed down for generations, the Charmant Bachelorette Chest exudes an enchanting feeling that will add magic to your home. The random floral design that graces the front is carved for a dimensional feel. The Porte Noir finish is a black paint with rich brown undertones, rubbed to a medium sheen with areas of heavy rub through and distressing to reveal a honey tone wood color. Three drawers. The top drawer is lined in black and white designer wallpaper. Functional as well as pretty, the piece includes a power supply, and a light underneath with 3-intensity touch switch.
