Sequence Chat Table

P874CT

Vanguard Collection

SHOWN: P874CT. Finish: Praline.

Created in the perfect shape, at the perfect height - the Sequence Chat Table changes the way people interact. Designed to encourage connection and engagement, this innovative occasional table design merges form and function. Its distinctive kidney shape is highlighted with the imcomparable beauty of exquisitely matched radial veneer patterns. Two fluted column bases add presence to its design and create an architecturally form that feels inspired and meaningful.
