KEY FEATURES (page 1 of 2)

Real 8K Resolution

With exceptional depth of detail, our real 8K resolution will draw you into the picture.[5]

Q | Color™
Push the boundaries of color with Quantum Dots and a billion+ shades, reserved for our flagship QLED TVs.[6]

Q | Contrast EliteMax™
The pinnacle of QLED innovation with our best Direct Full Array LED and an anti-reflective screen delivers our most pristine detail and depth.

8K HDR
8K depth of detail meets High Dynamic Range technology, enhancing the brightest and darkest colors for a breathtakingly realistic picture.

100% Color Volume
Our QLED TVs display colors accurately in even the brightest scenes so they never look washed out for brilliant visuals.[7]

Full Array Elite Backlight
Individual zones of LEDs precisely auto-adjust for our best contrast between pure whites and deep blacks.

8K AI Upscaling
Intelligently remasters content so you can enjoy today's content in stunning 8K detail.[8]

Ultra Black Elite™
An anti-reflective screen reduces glare and significantly deepens blacks.

Auto Game Mode
Get a leg up on the competition—your console automatically optimizes TV settings for an enhanced gaming experience with minimal input lag and ultrafast refresh rates.

Quantum Processor 8K
Our most powerful TV processor ever, powering the best Samsung picture, sound and smart TV experience.

Motion Rate 240
Enjoy our absolute best moving picture resolution with remarkable refresh rate, processing speed and backlight technology.

HDR Formats Supported
HDR10 (Static MetaData), HDR10+ (Dynamic MetaData), HLG (Hybrid Log Gamma). All Samsung UHD TVs also meet the CTA HDR-Compatible Definition.

Q | Style Elite™

One Invisible Connection™ minimizes wires, while Ambient Mode™ mimics your wall pattern for an astonishing visual effect.

One Invisible Connection™
Just one slim cable for all your TV's power and video connections, eliminating clutter.

One Connect Box™
Connects your components to one separate box, not to the back of the TV.

No Gap Wall Mount™[1]
Hang your TV snug to the wall with the No Gap Wall Mount™[1] that's easy to install and adjust.

Ultrawide Viewing Angle
Even from wide viewing angles, everyone can enjoy the view from all around the room.

Ambient Mode™
Ambient Mode transforms a black screen, displaying an image like the wall behind your TV to blend in, or overlaying useful information about your day, such as news and weather.[9]

Boundless 360° Design™
The stunning, clean back and virtually bezel-free design keeps your focus on the incredible picture.

Q Smart™ with Bixby Voice

Find your favorite shows faster -browse live and streaming TV with one universal guide, OneRemote and voice assistance.[10]

Universal Browse
An easy way to find streaming content and live TV shows with a single universal guide.

Connect & Share
Sync your TV to your compatible smartphone to access and control your content on the big screen.

Samsung OneRemote
OneRemote automatically detects and controls all your connected devices[11] and content.[2]

SmartThings Compatible
Experience more than TV with a dashboard for seamlessly

SAMSUNG
