ABOUT REVEL CONCERTA

Revel loudspeakers are renowned the world over for their award-winning sound quality, courtesy of advanced transducer designs and proprietary acoustic technology. The Concerta Subwoofer and Satellite loudspeakers bring that legendary Revel sound to your home theater in a compact surround system that fits virtually any budget.

Designed with flexibility in mind, the M8 satellite speakers are easily placed on a shelf, and come with included wall brackets for practically unlimited mounting and positioning options. The B8 wireless subwoofer provides deep and powerful bass impact in a compact, easy-to-place form factor.

As with all Revel loudspeakers, the M8's impeccable sound quality is established and proven in double-blind listening tests against the competition in Revel's world-class engineering facility. Before a Revel loudspeaker ever impresses a discriminating reviewer or thrills an audiophile, it has to satisfy the toughest audience of all – trained Revel listeners.

REVEL CONCERTA M8

The M8 is a superb 2-way satellite surround or front-channel loudspeaker in the long-standing tradition of iconic Revel best-in-class sound reproduction. Featuring Micro Ceramic Composite (MCC) diaphragms, precision dividing networks, and sophisticated high-frequency waveguides, M8s are engineered to deliver movie and music sound of spectacular realism in any stereo or multichannel home theater system. Whether you enjoy immersing yourself in the majesty of a surround-sound movie soundtrack, or indulging in the magic of your favorite studio music or live performance, the M8 delivers. In addition, the speakers are magnetically shielded for safe placement near electronic devices.
