

Attention to detail from start to finish.

Leon's compact Detail Surround/Bookshelf speakers are the perfect complement for our Horizon and Profile Series. These hand-crafted, timbre-matched speakers offer a high-fidelity audio experience without interfering with room design. Like all other Leon products, our surrounds can be custom painted to any wall color or crafted from solid wood to create the ideal theater experience in any space. The Detail 113 Series features world-class woofers and is available with MDT-12 tweeters to ensure superb dynamic range and tonal clarity, delivering a multi-channel, high-fidelity theater experience to any space.

Timbre-matched rear or bookshelf speakers complement Horizon 313 and Profile 303 Series speakers

Can be built to any dimension to fit into custom cabinetry or niche

Sleek design, less than 4" deep, allows for unobtrusive on-wall installation

Can be custom painted or built with beautiful hardwood cabinets

Available with Leon's exclusive FlexMount[™] articulating bracket for perfect stereo imaging

Ds113-A model shown

Ds113

Cabinet dimensions: 4.5" wide x 7.5" tall x 3.25" deep
