Abi Nesting Coffee Table Levante Marble

Two tables, one easy rhythm. Abi nests together when you want calm, then fans out when the room needs a little more surface. Sculptural, soft-angled forms keep the look modern without feeling sharp. An Italian Levante marble top brings deep red tone and gentle veining, while the acacia wood base adds warmth and steadies the set. Rounded corners make everyday living feel smoother. Tuck, pull, repeat. Perfect for coffee, books, and the occasional feet-up moment.

- Nested Sculptural Pair: Soft angular silhouettes and rounded corners create a modern look that reads relaxed, whether the tables are together or pulled apart.
- Levante Marble Top: Italian Levante marble delivers deep red color with subtle light veining, balanced by an acacia wood base for warmth.
- Steady, Thoughtful Build: A sturdy base supports the weight of stone, and carefully rounded edges help the set feel comfortable in busy living spaces.
- Flexible Nesting Function: Slide the tops together to save space, or separate them when snacks, laptops, and conversation need extra room.
