

Hyper-Silk™ Pillowcase

Elevate your beauty sleep routine with Hyper-Silk Pillowcases. The synthetic, vegan blend of materials is silky smooth, cool-to-the-touch and breathable promoting healthy skin and hair.

KEY FEATURES

- Silky smooth Hyper-Silk is made from a synthetic blend that will not absorb your skin care products, so you wake up looking rejuvenated and refreshed.
- Cool-to-the-touch Hyper-Silk material helps reduce morning wrinkles, inflammation, puffiness and overheating.
- Friction Free design to help prevent damage to your skin and hair.
- High Efficiency Washable fabric washes and dries in less time to reduce the amount of energy being used. Wash every 3-4 days to maintain freshness.
