Product Description

Modern Style with Unmatched Versatility. A mixture of Tangent PolyTuf™ Lumber and a powder coated aluminum frame makes this the perfect combination for a modern look with an elegant style.

Features

- Tangent PolyTuf™ Arms
- 100% Post Consumer Recycled HDPE Resin
- Impenetrable surface: no water absorption so mold, mildew and bugs cannot penetrate the surface.
- Resistant to UV and harsh weather climates.
- Easy to clean, using soap and warm to hot water.
- No splintering, cracking or warping as one would find with wood.
- Greater impact resistance than wood.
- Resistant to most chemical exposures.

- Frame Material: Metal
- Cushions Included: Yes
- Adult Assembly Required: Yes
- Natural Wood Grain Color Variation (No item has the same grain color, finish, or wood knots due to natural factors.)
