SKU: S462-YBR-K10

Availability: Expected Availability Date:

Type: Beds, Panel/Wall Beds

Category: Youth Bedroom

Collection: Granite Falls

Material: Wood

Style: Transitional

Features: With Storage

Bed Size: Twin

Finish: Dark Wood

Brand: Samuel Lawrence

Product Description: Clean lines, an elegant deep brown finish, and performance laminate make this handsome bed a must for any stylish kid's bedroom. Built to stand up to the demands of everyday use, this compelling design will stay looking noteworthy for years without cracking, fading, or scuffing. A pallet-like headboard design offers a dimensional effect, giving a sophisticated twist to a classic kids' bed. Simply add a box spring and mattress (both required, neither included) along with favorite linens for a comfortable, kid-friendly sleeping sanctuary. Pair with the matching trundle accessory, included, for convenient under-bed storage. The support legs on the headboard bolt securely to any standard bed frame for quick and easy setup.

Status: Active

Finish: Elegant deep dark finish with bar-style handles blend in with the finish for a seamless, stylish look.

Features: Includes headboard, footboard, rails and trundle
Trundle can be used for extra storage or add a twin mattress for extra sleeping space.

Material: Performance Laminate

Finish Construction: Granite Falls has the look and feel of wood, executed in a durable resin laminate. High performance laminate surfaces resist cracking up to 158 F, staining, scratching, abrasion, burns, moisture, impact, and fading.

Frame Construction: Samuel Lawrence Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
