

Bora Bora

Caracole

Balanced on two spheres, this shapely chair introduces a playful form with a bold modern aesthetic. When viewed from the side, its seemingly continuous curved lines are aptly defined by the soft sheen of cut velvet with an abstract Brutalist pattern. A back plinth leg and matching wood waist trim lend a distinct finishing touch.

SKU: M150-023-031-A

Dimensions in Inches: 30W × 40D × 33H
