Featuring select materials that are up to **70% sustainable***, this supportive mattress offers a hybrid construction with a **classic, quilted-top feel**—with upgrades available for even more cooling, comfort, and pressure relief.

POWERED BY
REPREVE

Q35LTX Plush Super Pillow Top model shown above

CoolTemp™ Cover powered by REPREVE®

This cool-to-the-touch, breathable cover is made with recycled plastic bottles.

Terra Fusion™ Memory Foam

USDA CERTIFIED BIOBASED PRODUCT

Made from 30% plant-based material that provides pressure relief and reduced motion transfer for uninterrupted sleep.

1250 Series 5-Zone Coil

Made with 35% recycled steel, provides targeted pressure relief and support for your back and thighs—and cradles you everywhere else.

Additional Features

- **iComfort® Gel Memory Foam**
  A fusion of cooling gel within premium memory foam, this special blend promotes cooling by increasing airflow and dissipating heat. Available in Q15GL, Q20GL Firm Pillow Top, Q20GL Plush Pillow Top, Q30LTX & Q35LTX models only.

- **Latex Foam**
  A responsive layer containing 20% natural latex that's breathable and supportive. Available in Q30LTX, Q35LTX & Q40HD models only.

- **CustomFit™ HD Memory Foam**
  A premium, high-density memory foam that conforms to your body for comfortable support all night long. Available in Q40HD model only.
