MOE'S

Evermore Console Table Brown

Turned legs and warm oak grain dress up the entryway with quiet presence. A natural oak finish lets the open grain show across the top, while turned detailing on the legs and stretchers runs through the Evermore for a considered, handcrafted feel. Two drawers with small brass knobs keep keys, mail, and small essentials close and tidy. Foundational and versatile, it sits easily alongside a wide range of wood tones and fabrics. A console with character to spare.

- Foundational And Versatile: A warm natural oak finish and clean foundational shape let the Evermore sit easily alongside a wide range of wood tones and fabrics.
- Warm Oak Finish: An oak veneer surface over a rubberwood frame shows off warm, open grain, bringing natural wood character to the top of the console.
- Handcrafted Touch: Turned detailing carries consistently through the legs and stretchers, adding a sense of craftsmanship and warmth that runs across the whole piece.
- Two Tidy Drawers: Two drawers with small brass knobs keep keys, mail, and entryway essentials organized and close at hand, adding everyday function to the console.
