

MYRTLEMOORE

CHEST | EM7079IV-C

DETAILS:

This lighter tone chest will be a great addition to any farmhouse space. Between the light vintage ivory frames to the contrasting rustic gray crown moldings, it exudes irresistible charm. And then there's the attention to detail: it is meticulously hand-painted and hand-finished for that exotic distressed look. So much has gone into the construction as well; each drawer feature English dovetails and ball-bearing metal side glides for maximum weight capacity. Finally, the chest is made of sustainably sourced pine wood.
