DINING TABLE | CM3254GY-T-TABLE

### DETAILS:

Stylish elements and refined silhouettes provide a bold focus for your dining room, and there's plenty of that in this beautiful collection. The spacious, plank-inspired table top is 84 inches with large turned legs that offer a hint of transitional flair. Handsome wooden framework is evident on the bent wood curved back chairs, which also feature gray linen cushions. The star of the show here is the antique gray finish--it's a fresh take on a warm farmhouse design that adds a touch of modern appeal.
