

EVADNE

CHAIR | CM6748BK-CH

DETAILS:

What a beauty! The unique combination of materials--the metal frame and the flannelette fabric--creates a glitzy atmosphere in any space this piece is set in. Made of stainless steel, the frame is polished in chrome for a modernized look and contrasts beautifully with the dark tone of the button-tufted fabric. And the icing on the proverbial cake? Bright faux-fur accent pillows that complete the glamorous look.
