

Item#: NH850S

Description: Nashville Recliner Sofa w/Drp
Dwn/Pwr Strip/Drwr

Production Size: 88.19"L x 39.37"W x 40.94"H

Your furniture purchase is an investment. Here are a few tips to maximize the lifetime of your furniture with a minimum amount of effort. Properly caring for furniture can help ensure that it looks great year after year.

Wood Furniture Maintenance:

- Always dust, wipe, and clean with the grain of the wood. Dust with a soft cloth. Dust will scratch the furniture surface if not removed properly.
 - Use the same type of polish consistently as interchanging oil-based and wax-based polishes will cause a build-up and result in a foggy or cloudy appearance.
 - If a polished surface becomes foggy, rub it with a cloth dipped in a solution of one tablespoon vinegar to one quart of water. Rub softly with the grain until the surface is completely dry.
 - Soap and water are not advisable for wood surface. Water can penetrate the finish and raise the grain on wood, causing damage.
 - Remember to change dusting cloths frequently as dirty cloths may scratch your furniture's surface.
- The Enemies of Wood:
- Moisture is wood's worst enemy. Liquid spills should be gently wiped up immediately. Coasters should be used under all beverages.
 - Do not allow rubber or vinyl materials to lie on the furniture. Chemicals in rubber may leave a stain. Put a strip of felt or leather under accessories that have rubber or vinyl.
 - Heat creates a chemical change in the furniture's finish, which results in a white spot. Use protective pads under hot dishes, appliances, etc.
 - Sunlight's ultraviolet rays can damage the finish of furniture. Do not place furniture directly against a heater or radiator and do not place in the path of hot streams of air from central heating.
- This will cause extreme localized drying of the wood.

High Gloss Resin Table Maintenance

- Resin tabletops have approximately 1/8" of a resin coat on the top face of the table, which will resist ice, water, wine, liquor, food, cleaning fluids, and warm or hot liquids; however, cups, glasses, etc. containing hot liquids should not be left on the table without a coaster for protection.
 - Resin tabletops will scratch just the same as any other glossy surface and basic precautions should be taken.
 - For lasting shine, the resin table should be waxed with a car wax that does not contain silicon. Maintaining this wax build-up will result in a high gloss shine.
- When wiping down the table, a soft, clean rag should be used. Do not use a heavy paper.

Granite Top Maintenance:

- The surface of the granite on your table has been polished or sealed to create a generally non-porous surface. The stone has many natural characteristics including: veining, hairline cracks, and color variations which make up the stone's beauty.
- To maintain the beauty of your granite:
- Protect surfaces from scratching, staining and etching by:
 - * Keeping them free of debris or sharp objects
 - * Wiping up spills immediately
 - * Avoiding contact with chemicals (particularly acid-based materials)
 - Clean with pH neutral products or those especially formulated for use on stone.
 - It is not recommended to use a water-based solvent for dark granite as it will remove the polish from the surface, absorbed into the stone.
 - After a period of use, apply a penetrating sealer to prevent contaminants from being
 - Remove stains with special absorbent poultices formulated for use on stone.
 - Renew the surface on polished granite (granite with a high gloss surface) by buffing with special stone polish, powder or cream.
- Do not use granite polish on granite with a matte finish, which has been honed rather than polished. (Penetrating sealer may be used on both polished and honed granite.)

Marble Top Maintenance:

- Marble may be stone, but it is porous stone and can stain easily. Treating marble surfaces the same as wood surfaces is a great rule of thumb.
- It is recommended to seal the tops on a regular basis (every 6 to 12 months).
- A good quality stone sealer can be purchased from any tiles/stone store or any homecare store and should be applied according to the manufacturer's recommendation.

Caring for the Fabric on Upholstered Furniture:

- Frequent vacuuming of the entire upholstered area will prevent dust from settling in to the fibers.
- Professional cleaning is always recommended for all upholstered pieces.
- Always pre-test a small area of fabric in an inconspicuous area when cleaning before proceeding.
- Do not use cleaning products containing brightening agents.

VERY IMPORTANT!!

NEVER
USE GLASS CLEANERS
ON FINISHED SURFACES.
AMMONIA WILL
CHEMICALLY ATTACK
THE FINISH.

DO NOT
WRITE
DIRECTLY
ON
SURFACE

**PREVENT
MARKING**

DO NOT
PLACE
DIRECTLY
IN
SUNLIGHT

**PREVENT
FADING**

DO NOT
USE
PLACEMATS
WITH
RUBBER
BASES

**PREVENT
DISCOLORING**

NEVER
ALLOW LIQUIDS OF ANY
KIND TO LINGER ON
SURFACES. ABSORPTION
CAUSES THE WOOD TO
WARP AND THE FINISH
TO DE-LAMINATE.

DO NOT USE
COMMERCIAL
POLISHES
AND WAXES

**PREVENT
YELLOWING**

DO NOT
PLACE HOT
POTS, ETC.
ON
SURFACE

**PREVENT
DAMAGE TO
FINISH!**

REGULATE
THE
HUMIDITY
CONDITIONS
AT YOUR
HOME

**PREVENT
SPLITTING**

ASSEMBLY INSTRUCTION

Connect the Left (B) / Middle (C) / Right (D) Backrest to the Recliner Sofa Body (A), by sliding metal brackets into position, making sure metal brackets on both sides are in correct position.

Connect Left / Right Wing (E / F) to Backrest (B / D) by sliding metal brackets into position.

Apply light pressure to top of Backrest (B / C / D) to

ensure brackets are locked into position.

Product Assembly is now complete.

PAST LIST

A RECLINER SOFA BODY(1 PC) 	B LEFT BACKREST (1 PC) 	C MIDDLE BACKREST (1 PC) 
D RIGHT BACKREST (1 PC) 	E LEFT WING (1 PC) 	F RIGHT WING (1 PC) 

COMPLETE RECLINER

PRODUCT DETAILS

Product Size	88.19"L x 39.37"W x 40.94"H
Seat Height	22.4"
Seat Depth	20.8"
Carton Size	87.40"L x 29.92"W x 25.98"H
Net Weight	214.9Lbs
Gross Weight	236.9Lbs
Cuft	38.97"

FABRIC CONTENT:100% POLYSTERY
 FRAME MATERIAL:PLYWOOD
 FABRIC CLEANING CODE:W-S

This fabric is not machine washable.
 Allow +/-3% residual shrinkage.
 Do not use cleaning products containing brightening agents.

MADE IN VIET NAM
