

BDPS1700U

BDP-S1700U Blu-ray Player with DVD Upconversion

Watch your favorite movies in Full HD with the BDP-S1700U. Images are detailed and clear, and colors take on rich new intensity thanks to TRILUMINOS™ color.

Bullets

- Enjoy all your movies in Full HD quality
- Experience vivid TRILUMINOS™ color
- Keep things simple with the new user-friendly interface

Features

Full HD 1080p

Watch the latest Blu-ray Disc™ movies in Full High-Definition quality, for depth and image clarity far exceeding that of DVD. The BDP-S1700U also upscales your standard definition DVDs to near HD resolution, so you can enjoy astonishing detail for all of your favorite movies.

TRILUMINOS™ brings colors alive

Discover true-to-life colors and tones. TRILUMINOS® color has a wider visible color spectrum to reveal more true-to-life tones and texture. Hard-to-reproduce vibrant reds, aqua blues, and emerald greens are displayed beautifully, so landscapes and seascapes look more vivid. Faces look better too, with more faithfully reproduced skin tones.

Graphic user interface is quick and intuitive

Finding apps and features is quick and simple with the graphical user interface. Browse on your TV screen with easy-to-navigate panels—content is divided into featured apps on one side and your favorite apps on the other. Everything neatly organized and quick to launch.

Dolby® TrueHD for sound as the director intended

Enjoy peerless audio quality with Dolby TrueHD, which delivers lossless sound across movies and music. By reproducing sound identical to original studio masters, it offers unparalleled audio fidelity for Blu-ray Discs, DVDs, and downloaded content.

DTS-HD™ for studio master precision

Enjoy precise, detailed home audio. With DTS-HD Master Audio, you'll enjoy the original, uncompressed soundtracks on your favorite Blu-ray Discs and streamed movies — just as the director intended. DTS-HD High-Resolution Audio also offers intensely detailed reproduction for musical performances, allowing every note to shine with near studio-like quality.
