- The Captur™ system's advanced blower design features a forward positioned centric inlet to remove smoke and odor faster. Two-speed blower control exhausts at a strong 400 CFM.
- Smooth-flow blower wheel design and high flow filters ensure quiet, <0.5 sone operation at normal speed.
- Bright, single intensity LED modules—supported by a 3-year warranty—illuminate evenly and are tested in cooking environments to ensure long life without dimming.
- Streamlined, deluxe 2-speed rocker control operates light and fan speeds.
- Pro-style, dishwasher-safe, hybrid baffle filters provide ultra-efficient grease removal with superior air flow.
- EZ1 brackets make it easy for singleperson installation in less than half the time of traditional methods.
- ADA compliant, remote operation is possible using a standard UL approved wall switch.
- Non-duct capable with use of charcoal filters, sold separately. Hidden louvers on top of hood exhaust away from cabinetry.
