

RISE™ 7-IN-1 FLUSH, BUILT-IN MICROWAVE OVEN

Signature Features

7-IN-1 OVEN

Go beyond expected possibilities with this 7-in-1 Oven. Air fry, convection bake and roast, toast, dehydrate and keep food warm until you're ready. Or, harness classic microwave options including reheat and defrost.

SMART MICROWAVE OVEN

Skillfully control your microwave—whether prepping in the kitchen or soaking in your clawfoot tub. The JennAir® app empowers you to remotely control and monitor the microwave,* and prompts you when it's time to attend to your dish. Tap into chef-inspired recipes designed to create effortlessly delicious results, or use simple voice commands with your Google Assistant and Alexa-enabled devices.**

*Appliance must be set to remote enable. WiFi & App required. Features subject to change. Details and privacy info at jennair.com/connect. **Amazon Alexa features available in US only.

STAINLESS STEEL INTERIOR

The stainless steel interior is both sleek and durable, with a conveniently easy-to-clean surface.

FULLY FLUSH & INTEGRATED DESIGN*

Effortlessly integrate with seamless design. This flush to cabinet microwave oven blends in for a clean, finished look when installed in cabinet depth of 16 3/4"

LCD DISPLAY WITH TAP TOUCH CONTROLS

Navigate effortlessly through settings, dynamic features and assisted cooking modes on this highly interactive, full-color LCD display.

TURNTABLE-FREE DESIGN

Create space for larger or multiple dishes with a cutting-edge, turntable-free design with a hidden motor that delivers efficient heat circulation.

AIR FRY MODE WITH BASKET

Achieve crispy, yet juicy, results on your favorites from french fries to fresh vegetables. Use Air Fry to circulate hot air around the air fry basket to crisp food using little to no additional oil.

COOKING PRESETS

Take your pick. With a wide variety of cooking presets for common and specialty foods, you can create a wide variety of dishes minus the guesswork—using microwave, convection or both.
