60/60

Cord: 1' Black/White

The Bombelles Brass Bath Wall Sconce was designed to spread abundant light over a bathroom counter, the gold sconce joining others in the Bath Collection. The globe will be luminous when it is lit, as it is made of natural alabaster, and the antique brass finish on the metal adds warmth to the design. Alabaster is a natural material, so there will be slight variations in each of the fixtures. The Bombelles can be mounted with the globe pointing up or down.
