## Cates Lounge Modular Sectional Navy And Brown

No frame, no effort, no way it's this soft. Cates takes modular seating to a whole new level of comfort. Built entirely from high-density foam, shredded memory foam, and fiber fill, each piece delivers a sink-in, stay-all-day kind of feel—no hard edges, no rigid frames. The clean lines, soft back cushions, and non-slip base keep it grounded, while the smaller-scale components let you build your layout your way. Add, rearrange, or sprawl—this sectional keeps up, no matter how you lounge.

- Streamlined Style: Clean lines and wide arms in a smaller-scale modular form make this a go-to piece for laidback, space-savvy lounging.
- Textured Durability: Navy-and-brown 100% polyester upholstery with a soft handfeel and 50,000 rub count—built to stay beautiful through everyday use.
- Plush Construction: No hard frame here—just dense foam, shredded memory foam, and fiber cushions for cozy, full-body support.
- Vacuum-Sealed, Small Parcel: Ships compressed in compact boxes to simplify delivery and fit through tight spaces—ideal for apartments, walk-ups, and smaller-scale living.
