MOE'S

## Clarence 6 Drawer Dresser Natural

One curve. Six drawers. Plenty of personality. Clarence keeps it classic—but adds character. A curved front brings movement to the silhouette, while the sculpted base grounds the shape with quiet presence. Six drawers offer everyday storage, finished with brass hardware that adds a hint of shine. Made from solid oak and easy to work into a room, Clarence is a timeless piece that plays nice with modern life.

- Soft Curved Front: Traditional detailing with a gentle, curved front for a timeless appeal.
- Traditional Detailing: A pronounced base adds a striking architectural detail that elevates its traditional styling and visual appeal.
- Durable Oak Construction: Built to last, the oak construction ensures long-lasting stability and showcases the natural warmth and character of the wood.
- Warm Brass Accents: Brass handles create a warm contrast against the oak frame.
- Open-Drawer Safety Stops: Built-in safety stops add stability, support, and tip-over prevention, bringing a layer of security to everyday use.
