King (78" - 2x 39" XL)	2x (15.5" x 37.5" x 79.5")	2x (8.5" x 42" x 83.5")	2x 176 lb	2x 194 lb

MAIN FEATURES:

Zero G™ preset position:

One touch button that raises the legs and the head to promote circulation and relieve pressure off of the lower back.

Head tilt and posture support:

Adjust independently, the tip of the head section. The lumbar motor provides an extra four inches of the lower back support.

Wireless remote with programmable presets:

Ability to reprogram Relax and TV Presets to your own custom positions.

3-Level massage:

10, 20, and 30 minute timer. 2 motors in 39" size and 4 in 60" size.

Bluetooth compatible (module sold separately)

Allows user to download free application and operate their base from most smart devices (Apple & Android).

Wall saving design:

Patented technology that keeps the user in reach of their night stand during articulation.

Gravity release safety feature:

Head and foot motors designed to lower the mattress by retracting only with gravity, never pulling downwards, which minimizes pinch points.

Compatible with headboard:

Compatible with our headboards.

Storage/Remote pocket:

Keep your wireless remote control and personal belongings easily accessible.

USB Outlet:

Charge your favorite mobile devices with USB outlets on each side of the base.

LED under bed lighting:

Set the mood or find the door - whatever you do with our below-bed LED lighting is up to you. We just don't want you stumbling around in the dark.

Battery back up strap:

In the event of a power outage, the base can be brought to a flat position by installing batteries to the emergency strap under the bed.

Smooth Power™ lifting system:

Head and foot motors that gradually increase in power when articulated, providing the user with seamless transition from position to position.

Zero Standby Power™ system:

For the energy conscious consumer, the Zero Standby Power System consumes < 1 W when not in use.

Smart Sync™ pairing system:

Synchronization has never been easier. Simply connect two 39" XL bases with the sync cord provided. Each remote will operate both bases simultaneously. Just plug and go!

Next generation SilentDrive™ motors:

Head and foot motors engineered to preserve a peaceful sleep environment by creating very little noise when activated.

3-Level legs:

3-Level black square legs included: 3", 5", 8". Different legs can be purchased separately. Designed for full operation with legs or placed on a flat surface.

Weight limits:

Supports a maximum weight of 850 lbs evenly distributed across the base. Highest weight capacity in this class.

Nationwide warranty support:

Backed by Ergomotion's 20 Year Limited warranty and industry leading customer service.
