

Honeywell / HW2CESAWW9

Honeywell 12,000 BTU Portable Air Conditioner, Dehumidifier & Fan

Built with the durable materials and superior quality that are synonymous with the Honeywell brand, the HW2CESAWW9 helps you save money on energy bills by cooling only the room you need. Ideal for spaces up to 550 square feet like bedrooms, living rooms, and dining areas, it provides you with 12,000 BTUs of powerful cooling alongside a built-in dehumidifier with a capacity of 95 pints per day. This unit also features an attractive mirage display, a remote control for operating from across the room, smooth-gliding wheels for easy portability, and a window kit for quick and easy installation. With its quiet operation, auto-swing feature, and energy-saving timer, you can customize your comfort and enjoy a cool breeze in your home shortly after unboxing.

- Cooling capacity: 12,000 BTU (ASHRAE-128) / 8,600 (SACC)
- Water tank capacity 0.7 liters
- Powerful air flow cools you down shortly after unboxing
- Quiet operation cools without unnecessary distraction so you can work or relax in peace
- Our attentive customer support team is happy to assist you with any questions you might have
- Smooth-gliding wheels and handles let you roll compact unit from room to room with ease
- Full-function remote gives you control of convenient features from across the room
- Washable filters clean easily under faucet so you don't need to buy replacements
- Designed for comfort, the digital LED display with soft-touch controls lets you personalize your home climate
- Maximum sound level of 50 dBA

Honeywell / HW2CESAWW9
