Features: Italianate style brings a touch of refinement to any living room or hallway. Rectangular, black marble top with an ogee edge and a trestle style base with detailed carving.

Ornate metal stretcher for added elegance

No assembly is required

Levelers

Material: Marble, Wood and Metal

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
