NOTES

- Tailored leather and nailhead trim for a timeless design
- Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Zero Gravity recline technology relieves pressure as you sit
- Power control independently adjusts the headrest and recline for a personalized sit
- Separate home button returns the headrest and footrest to their original positions with one touch
- Attached seat and back cushions ensure a comfortable sit that will last
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core
- Leather/vinyl match has high-quality look that will hold up in the most demanding environments
- USB port built into power control for convenient charging
- Center console stores remotes, magazines, and other personal items
- Two beverage holders keep refreshments close at hand
- Power controls on each side of the loveseat independently adjusts the headrest and recline for a personalized sit
- Power controls on each side of the sofa independently adjusts the headrest and recline for a personalized sit
- Unique sofa design with two wide seats that offer plenty of space to spread out and relax
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
