60/240

Cord: 1' Black/White

The Bombelles Nickel Bath Bar was designed to spread abundant light over a bathroom counter; the shiny silver fixture joining others in the Bath Collection. The globes will be luminous when they are lit, as they are made of natural alabaster, and the polished nickel finish on the metal continues the coolness of the design.

Alabaster is a natural material, so there will be slight variations in each of the fixtures.
