NOTES

- Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Power control independently adjusts the headrest and recline for a personalized sit
- Home button returns the headrest and footrest to their original positions with one touch
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
- Premium leather on key seating areas and armrests has luxurious look and feel
- USB port built into power control for convenient charging
- Center console features two cup holders and a storage compartment, keeping refreshments, controllers and other small items close at hand
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
