7.5 CU/FT Top-Mount Refrigerator

Classic
by UNIQUE

Bring timeless style and modern convenience to your kitchen with the Classic Retro 7.5 cu. ft. Top Mount Refrigerator. Featuring a bold 1950s-inspired design, semi frost-free cooling, adjustable glass shelves, a four-bottle wine rack, gallon door bins, and a humidity-controlled crisper with UltraFresh filters, it offers smart storage with vintage flair. Energy Star certified with chrome accent handles, LED lighting, and a door ajar alarm, this compact fridge combines efficiency, function, and retro charm.

- **Iconic 1950s Retro Design** - Bold two-tone finish with chrome accent handles for timeless vintage charm.
- **Smart Storage** - Adjustable glass shelves, gallon door bins, wine rack (4 bottles), ice tray, and egg holder.
- **Humidity Controlled Crisper** - UltraFresh filters keep produce fresher longer.
- **Efficient Cooling** - Semi frost-free system with interior LED lighting and easy temperature dial.
- **Compact Yet Spacious** - 7.5 cu. ft. capacity, perfect for kitchens, apartments, or entertainment spaces.
- **ENERGY STAR® Certified** - Designed for sustainable performance with lower energy consumption
