

BURGESS

SOFA | SM7753-SF

DETAILS:

To say that this sofa set is immaculate is an understatement. The neutral tones and simple silhouette lends to the focus of the piece—the warm ivory chenille that wrap the set. With padded cushions on the inside, the track arms provide support, while the oversize back pillows are loose and comfortable. To top it off, pillows in solid and graphic light gray are included for a classic contemporary look.
