

Verona Relaxer

The IMG Promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

Warranty - See warranty policy for more details.

Functions - Features

1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

2. Comfort-Precision Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

3. Effortless Recline

The back recline and integrated footrest can easily be released and operated manually or upgraded to power.

Verona

Our Manual and Power Relaxers are an essential basic comfort provider for your home. Whether you choose Manual or Power, you will receive a cosy, practical armchair with an integrated footrest you can operate either using a hand lever or a simple button. The Relaxer by IMG- the chair you will never want to leave.

With a distinctly padded backrest cushion, Verona allows you to sit back and feel the comforting embrace of soft, supple cushioning. The stitching detail on the backrest creates elegant curvatures, providing a cushion that conforms to your body shape.

Up to 3 Sizes Available

Sizes vary depending on Manual and Power choices. See reverse for specific option availability.

4. Steel Interior Springs

Located throughout the back and seat provide optimum support whilst cradling the body.

5. Glide Function

Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.

6. Solid Construction

A steel and hardwood frame provides durability and strength.

7. Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.

8. New Finger Guard Feature

Protective plastic covering over reclining mechanisms to reduce the risk of injury to yourself, children or pets while using the recliner.
